Important Message from BioXco concerning our Products

Dear Distributors and Customers,

On March 13, 2020 (updated March 19), EPA published an updated list N (<https://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2>) for disinfectant products with emerging viral pathogen and Human Coronavirus claims for use against SARS-CoV-2, the cause of COVID disease.

BioXco offers products that have been evaluated and accepted by the EPA under the emerging pathogen policy.

COVID-19 is caused by SARS-CoV-2, a novel coronavirus. **BioXco Disinfectant Cleaner** (Ready for Use Spray) **kills similar viruses and therefore can be used against SARS-CoV-2 when used in accordance with the directions for use against Norovirus (Norwalk Virus) on hard, non-porous surfaces.** Refer to the CDC website at <https://www.cdc.gov/coronavirus/2019-ncov/index.html> for additional information.

Important Message from BioXco concerning our Products

Dear Distributors and Customers,

On March 13, 2020 (updated March 19), EPA published an updated list N (<https://www.epa.gov/pesticide-registration/list-n-disinfectants-use-against-sars-cov-2>) for disinfectant products with emerging viral pathogen and Human Coronavirus claims for use against SARS-CoV-2, the cause of COVID disease.

BioXco offers products that have been evaluated and accepted by the EPA under the emerging pathogen policy.

COVID-19 is caused by SARS-CoV-2, a novel coronavirus. **BioXco Multi-Surface Disinfecting Wipes kill similar viruses and therefore can be used against SARS-CoV-2 when used in accordance with the directions for use against Human Coronavirus SARS Associated Coronavirus on hard, non-porous surfaces.** Refer to the CDC website at <https://www.cdc.gov/coronavirus/2019-ncov/index.html> for additional information.
